Petition No. 980609-033-003

**CONSENT ORDER**

WHEREAS, Pasquale Martorelli of Meriden, CT (hereinafter "respondent") has been issued license number 003470 to practice as a subsurface sewage system installer by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 393a of the General Statutes of Connecticut, as amended; and,

WHEREAS, the Department alleges that:

1. Respondent allowed his license to be utilized by an unlicensed individual for the installation of a subsurface sewage disposal system at 25 Partridge Lane, Middletown, CT by said unlicensed individual during the winter and spring of 1997. The Department further alleges that respondent did not supervise the construction and installation of said subsurface sewage disposal system.
2. The above described facts constitute grounds for disciplinary action pursuant to the General Statutes of Connecticut, §20-341f.

WHEREAS, respondent, in consideration of this Consent Order, has chosen not to contest the above allegations of wrongdoing but, while admitting no guilt or wrongdoing, agrees that for purposes of this or any future proceedings before the Department, this Consent Order shall have

the same effect as if proven and ordered after a full hearing held pursuant to §§19a-17 and 20-341f of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §§19a-17 and 20-341f of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives his right to a hearing on the merits of this matter.
2. Respondent's license shall be suspended for a period of one year. All three originals of respondent's license shall be provided to the Department within ten days of the effective date of this Order.
3. Respondent shall comply with all state and federal statutes and regulations applicable to his licensure including, but not limited to, refraining from allowing his license to be used by any other person.
4. Respondent shall pay all costs necessary to comply with this Consent Order.
5. This Consent Order is effective after the last signatory is fixed to this document.
6. Respondent agrees that this Consent Order shall be deemed a public document, and the Department's allegations as contained in this Consent Order shall be deemed true in any subsequent proceeding before the Department in which his compliance with this Consent Order or with §20-341f of the General Statutes of Connecticut, as amended, is at issue.
7. This Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Order is not subject to appeal or review under the provisions of Chapters 54 or 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any rights that he may have under the laws of the State of Connecticut or of the United States.

8. This Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
9. Respondent permits a representative of the Legal Office of the Bureau of Regulatory Services to present this Consent Order and the factual basis for this Consent Order to the Department. Respondent understands that the Department has complete and final discretion as to whether this executed Consent Order is approved or accepted.
10. Respondent has the right to consult with an attorney prior to signing this document.
